

CatNips!

DID YOU KNOW?

One unaltered female cat and all of her offspring can produce more than 10,000 kittens in just five years, resulting in needless suffering and too many cats on the streets and in our shelters.

Spay or neuter
your cat
in February
for **FREE!**

And get your kitty's vaccines at low cost:
Rabies, \$6, and Feline Distemper (FVRCP), \$13.

CatNips is organized by the Santa Barbara County
Responsible Pet Ownership Alliance.
